# OUR CHAIRMAN

Good afternoon and welcome to the last match of the season against a well established side, under the leadership of Andy Hill, Trefelin BGC.

A big welcome to Andy and his family, the players, management team, committee, directors and all the away fans of Trefelin BGC.

Today, we can go out and play with freedom knowing that we are champions of the Cymru South and also that we will be playing in the Cymru Premier next season. Today's game is no different to any other and we must approach this game collectively, as if we are still going for the championship. Let's finish the season on a high with three points.

What a season it's been with highs and lows, stress levels going through the roof and opinions from everyone, including myself about how the players should play and what the management should do. Although we should have opinions, it has been a credit to Lee and Dylan that they have remained calm and got us over the line. They should be proud of their time here at Llanelli Town AFC over the past several years, where they have learned about themselves and the club. Credit to their management team consisting of Matthew, Gareth, Jancy and Steff, who are always on hand supporting the players and the club and I thank you all.

As each game goes by, spectators come and go but the same people work behind the scenes on Matchday. Dilwyn, Paul and Dai on the turnstiles, Allan on the PA system, Greg Phillips updating Comet and recording all the clubs stats, Jamie taking wonderful images, Richard and Rhys as our stewards, my mother Yvonne preparing teas and cakes in our directors lounge and providing my 95 year young grandfather Kenneth Stephens with his matchday beverage (cream flow), David and Nia running the Jock Stein lounge, the young ladies running our cafe and the supporters club assisting everywhere!!!! I thank you all for your continued hard work and commitment to myself and this wonderful club.

Off the field, I have been privileged to have so many people influence my decisions but also stand by my decisions over the years, my mentor David Craddock (Club President), Jonathan Garcia, Kevin Francis, Rob Griffiths, Neil Dymock and Peter Tiffin. These individuals have formed an alliance with and for the club and act as a senior committee, under our board of directors. Thank you for your service to Llanelli Town AFC over the years!!!!

My wife Lisa, my children Leah, Ross and Aysia and their families have put up with me and Llanelli Town AFC for many years and it's not been easy juggling family and football life but we have done it. Thank you for being by my side every part of the way. Lots of love xxxxx

Our board of directors, Barry, Joe, Shaun, Mickey, David, Steve, Chrissie and Peter, who had to listen to me sell the dream. Thank you for being a part of this club and embracing what Llanelli football club is to so many. We are not there yet but we will continue to push to make our dreams come true!

Thank you to our commercial manager Jordan Fox, who gets out there and puts the club in people's faces. The amount of opportunities that Jordan creates is unbelievable and I thank him and his family for everything.

Our sponsors are the people that kick start our season every year and over the years, we have had so many. Thank you to every one of you from the shirt sponsors to just a small as a programme sponsor. Everything amount has a big impact.

Thank you to all the academy coaches, players and parents, to the Women's team coaches Katie, Meg and Connor and all the players, to the veterans committee and all the players representing the club, to the disability management and the players and all of you who support these teams.

Thank you to Eddie, Gerwyn and Jack, who make this pitch one of the best football fields in Welsh domestic football. The impact that this has on our own players and those that visit us, is unbelievable and this was evident during all three Elite Wales U19 home matches recently, where we hosted the home nation. Thank you to Llanelli Town council via Gary Jones, Arfon Davies (town clerk), Sion Dafydd-Thomas and all the councillors, who have shown faith in what we continue to do at the club for the community.

Thank you to the supporters club, who have given over £2500 to our U19 side and over £1000 to our Women's team. Everything helps and you continue to work hard to support your club. It really is much appreciated and more news will come out about what the supporters club do and what the future holds in due course. Exciting times for the supporters club! Thank you Rob Killick, Alex Wallace, Richard Killick, Craig Francis, Anne-Marie Francis, Katie Mainwaring, Claire Morgan, Rob Matthews, Dai Chappell, Rhys Skivington, Angel Skivington.

want to thank the players, who turn up and get the job done (sometimes), and for representing our club badge with professionalism and pride. This goes a long way and I along with everyone else is grateful to you and your families. I wish you all the best for the future and hopefully this will be at our club next season!

You the supporters, week in week out you come to home games and away games and it does not go unnoticed. Everything we do at the club is for YOU and I hope that we are doing the correct things, so that you can be on the journey with us. Thank you to every single one of you!

For me, it's a time to reflect and to look to the future, whether I am a part of it or not. For the last 9 years, I have given everything to this club to ensure that we are stronger, together and as one and I truly believe that we are nearly there. This is quite possibly my last game and I'm going to enjoy every second of it.

Lastly, I want to thank all of those that started the journey with us but are no longer with us. My dad, Neil Stephens being one of those. I only wish that you could be here today to enjoy and share this moment with me and mammy but deep down, I believe that you have been with us since you left us. My father has been influential in everything that I have done for this football club and has always had my back. We did it DAD and we are back up!!!!!!!

Enjoy the afternoon and enjoy the celebrations. Get your photo taken with the cup and come together. Enjoy it today before we quickly move on into the next season.

Over and out,

*Wayne Stephens*

# OUR HISTORY

The game of Association Football was introduced to the town's people of Llanelly when workers from the Staffordshire area of England migrated to the town to work in the 'newest' of the town industries - the Pottery works from 1892 to 1920. The club initially played in the Swansea & District League playing their first matches at Cae Blake, Furnace, then the Peoples Park before moving to Tunnel Road and then at Penyfan Fields.

In 1912-13 the club decided to become fully professional and applied for membership of both the Southern and Welsh League. They also moved to a new ground, Halfway Park, a former Cycle Stadium, which was situated two miles from the town centre. Their first season 1912-13 was an immediate success finishing in sixth position in the Southern League and third in the Welsh League. The following season they entered into the Welsh Cup and reached the final at their first attempt before losing to Wrexham in a replay at Oswestry after the team had initially drawn 0-0 at Swansea Town Vetch Field.

After the First World War the club continued to participate in the Southern League and in the Welsh League with moderate success. They had ambitions of reaching the Football League and as a first step they moved to a new ground in Stebonheath in 1922 Tottenham Hotspur were the FA Cup winners of the previous season were invited to make the occasion of opening the new ground by playing the local team and the Londoners were given a rude awakening when they lost 2-1 on the day. For the next three years Llanelli built up a reputation of being one of the leading non-league clubs in the country, and in 1925 become the only club to contest every round in the FA Cup from Preliminary to Qualifying rounds and on to the equivalent Third Round of today when they met Fulham at Craven Cottage before losing by the odd goal in a highly emotional game.

At the end of World War II with league football returning back to normality, Llanelly AFC in common with other Welsh clubs returned to the Welsh League fold and again gained a place in the Southern League succeeding Colchester United who had gained a place in the Football League. This was another venture into a league blessed with exFootball League players coming to the end of their careers. The manager of the time long servant Jack Goldsborough who had been a fixture in Stebo circles since 1923 as a player, trainer, coach, groundsman and secretary/manager assembled a team blessed in the main by ex Scottish League players including one John (Jock) Stein who was to find fame with Glasgow Celtic and Scotland in a managerial capacity after his playing days were over, but had made history in the FA Cup with the Reds in 50-51, before the club lost to Bristol Rovers after a 2nd replay at Ninian Park.

Even he and a succession of worthy managers could not prevent the indifferent seasons the club suffered which meant a lack of people through the turnstiles and by 1958 they had to seek re-election to both Southern and Welsh Leagues. They were granted a stay in the Southern League whilst had to be relegated in the Welsh League Division II (West). But worse was to follow when the Welsh FA refused to sanction their stay in the Southern League. Llanelli were left in limbo with an all time low for their future for the 1958-59 season.

A CATCH UP WITH LEE JOHN

# GAFFERS GAFF

Good afternoon everyone and welcome to the home of the JD Cymru South Champions, Llanelli Town Fc.

What a tremendous season it's been, reaching Semi final of the Welsh Cup and League Winners 2024/25.

Myself, the staff and playing squad cannot thank you all enough for your unbelievable support this season, you've followed us around the country and I hope we've given you some memorable moments along the way.

I have to extend my thanks to the committee, board of directors, the chairman and his family. A special mention to our friend, the late Neil Stephens, a man who always seen the positive side and kept us together as a football family, especially in difficult moments. I went to visit Neil at the hospital weeks before he passed and he asked me to bring the title back to Stebonheath and achieve WPL status again. I know he'll be up there very proud.

Today we welcome Trefelin, a team and club growing year on year. A win today could see them finish runners up and a home victory could give us an 8 point gap at the top, so it should be a fantastic game.

A final thank you goes to my staff, my wife, my children and all my family that come to watch. I'm very lucky to have the amazing support that enables me to put in the hours I do. This season has certainly been worth it and I need even more support now in the Welsh Premier League.

Enjoy the game all and I hope you can all join in the celebrations this evening.

All the best

*John*

# GAFFERS GAFF

Our ladies' season has come to an end—and what a whirlwind it's been!

Coming into my first season, my main aim was to recruit well, build a new squad, and ensure we retained our place in the Adran South. I'm proud to say we achieved that, and more. Through growing our support and reaching out into the community, we've laid strong foundations for the future.

It was also really important for me to have a coaching team I could trust—people who shared the same vision and passion for the female game, and who could see the potential of what we're trying to build. Meg Jones was my first appointment as Head Coach, followed later in the season by my son Conor McAuley, who came in to support with tactical and analytical input. Both coaches have worked hard and well, and I'm pleased to confirm they will be continuing with us next season.

It's been incredible to see young girls coming to watch the team, looking up to our players as role models. That connection is what it's all about. With new goals in place for next season, our ambition is to climb as high as possible in the league and continue to grow the women's game locally.

Looking ahead to 2025/26, there's a real sense of excitement. Planning is already well underway, and with the launch of our new U19s squad alongside the ladies' team, it's shaping up to be a busy and promising pre-season.

The players will have a short but well-earned break to rest and enjoy time with family before we get back to work at the end of May.

A huge thank you to our players for their hard work and commitment throughout the season. To our sponsors and supporters—your continued backing means everything to us. We couldn't do this without you.

Thank you also to the Supporters Club for their brilliant work running our home match days at Stebonheath Park. We are incredibly fortunate to call such a fantastic facility our home.

And finally, a massive congratulations to Lee John and the men's team on being crowned champions and securing promotion to the Cymru Premier! An outstanding achievement that reflects the dedication, passion, and hard work of everyone behind the scenes at this club. It's a privilege to be part of it, and there are exciting times ahead for us all.

See you next season!

Llanelli 55s 4-0 Barry 55s

An emphatic victory for the Reds against a high flying Barry team. The Reds started lively creating chances but failed to capitalise them. But on the 20min mark Stamp opened the scoring to put the Reds 1 up. Barry had their chance to draw level when their striker was through one on one but the home keeper pulled off a fine save.

With Reds playing their free flowing football they went 2 nil up courtesy of Vaughan Jones who had been put in by Neil Waters. The second half was very much the same with Rocke, Waters and Evans winning the midfield battle, Andy Legg was also causing Barry problems on the left. And on the hour Stamp got his second of the game to put daylight between both sides and effectively killing off any hopes Barry had to rescue anything from the game. Lindsey Stamp fine form continued as he rounded the keeper only for the keeper to bring him down and give the ref an easy decision of pointing to the spot. Stamp converted the pen to round off a great afternoon for himself by getting an hatrick. The Reds now unbeaten in three and slowly climbing the table.

Penydarren 1-6 Llanelli.

In what was a winner takes all game it was Llanelli who came out top and secured the ov40s Premier league title. The game started fast and the reds pressed high and scored from a mistake by the hosts with Trundle scoring bottom corner.

Penydarren scored from a corner to equalise then Llanelli went through the gears scoring 3 more before half time with Trundle adding another and Kev Bartley scoring 2, one from the penalty spot and one from an acute angle, half time came and Penydarren started strongly with Gavin Williams coming on and starting to find space but our defence of Angel Rangel, Chris Holloway and Alun Williams holding strong and not giving them much space.

The reds started to make changes getting fresh legs on and Sam Brown broke through and was taken out by the gk for a penalty which Kev slotted away for his hat trick, we carried on attacking and paid off with Trundle dancing his way through one on one with the gk and toying with him before slotting away in the corner for his hat trick, great debut for Rangel showing his class in defence and James Evans coming off the bench for his first taste in vets football, man of the match Chris Holloway was a tower in defence, a big thank you for Robert Davies motors from cardigan for lending us a mini bus for the trip so the boys could celebrate on the journey back.

Ferndale 1-5 Llanelli

A game played at a ferocious pace from start to finish and was end to end throughout. Llanelli took a 3-0 lead through Kev Bartley (2) and Leon Thomas. Jamie Michael pulled a goal back for Ferndale before half time. The second half was more of the same with Ferndale pushing to get back into the game. Paul Davy added Llanelli's 4th and they broke away to finish the game with Kev Bartley completing his hatrick. A big crowd watched two physically fit sides do battle in a brilliant game, credit to all the players involved.

On behalf of the club we would like to congratulate our Veteran side that keeps growing every season. With well known local players, ex reds and legends like Lee Trundle, Angel Rangel, Leon Britton and Andy Legg you have all done fantastic.

2 league wins with a third to play for on Sunday, what a season!
